Presentation Nights

The presentation nights took place throughout May at the Phoenix; this was our first attempt of holding smaller versions of the evenings and hopefully gave a more personal touch as it was your team managers who did the presentations, congratulations to all of our players for a fantastic season. The junior football season has now drawn to a close and we sincerely hope that you have all enjoyed your season, BWJFC offers football to boys and girls from the age of five, yes five year old, the oldest player to represent our club this year was 53 a difference of 48 years!, whatever the result it proves that football really is in our blood and can be enjoyed whatever age or ability you are

RESPECT BREACH

For the last few editions of this newsletter we have been talking about the F A Respect campaign and how BWJFC will have a no tolerance policy for people whose actions breach our code of conduct, it is unfortunate to state that we have had to ban indefinitely from all club activities a person who has brought the club into disrepute, we cannot and will not allow the great name of this club to be dragged down, it is down to you to ensure that you uphold our code of conduct or suffer the consequences.

GALA

The Gala was a phenomenal success thanks to all the people who rallied round to show the local community and the football fraternity what a fantastic team of people we have within the club. The weekend went without a hitch and the organization was fantastic we have received many comments about how good the set up was and we thank the Phoenix for their help, hopefully every player enjoyed the experience whether they won drew or lost, we have some great Photo's of the event that are available on www.dephoto.biz/brinsworth These are for sale through the private enterprise not connected to the club. Once again many thanks to all of you that assisted.

Girls Football

We have a thriving and growing girls section at BWJFC, next year we will have teams representing five age groups. The girls play on Saturday morning and next season will be joining us at the Phoenix. We are looking for more players so if you are interested or indeed know anyone who would like a game please contact our club secretary.

The Future

2011 has been a breakthrough year for the club, we have enjoyed our first season at our new home, The Phoenix Sports and Social Club and we are now delighted to announce that we have secured a ten year agreement that has secured the immediate future of BWJFC, this obviously comes at a cost so we are doubly delighted to state that we have secured a fantastic sponsorship deal with "The Car People" for a second season.

Closed Season

What happens now?

During the closed season BWJFC still operate we have to fill in all the registrations so we can all complete again next season in the respective leagues, our secretary's work is non-stop, it's a good job we have the best secretary in junior football, we have our AGM at the PSSC on July 10th 7.00pm prompt, everyone welcome. In August the fixtures are issued for the season ahead and this year we will have a couple of signing on sessions where the club code of conduct will need to be signed by all parents and players for next year, Enjoy the rest as it will not be long before it all starts again.

See you soon
