Football Kits

Xmas Dinner

Academy

Foundation Year + Year One Age

Our renowned junior football academy started at the Aurora on Friday Sept 9th and what a great start, 40 junior, under six year old Lionel Messi's turned up, why not come and join us 6pm till 7pm great coaching, really enjoyable, pass the word and come along, contact our club secretary or just turn up and ask for Justin Carpenter our first class Academy coach.

Cabin Damage

We have had an attempted break in of our Cabin at the ground, if we find out anyone connected to the club is involved they will be **banned for life**, if you know who it is let us know as this is not acceptable behavior.

Sporting Evening

Its nearly here the event of the year, our social committee have laid on an extravaganza of an evening at the Consort Suite in Thurcroft, Friday November 4th, we are to be entertained by Sky Sports and ex Arsenal legend, Paul Merson and the best comedian on the circuit Jimmy Carol all held together by our MC, John Gwynne from Sky Sports Darts. We only have a very few seats left as it promises to be a fantastic experience with both personnel from SWFC and SUFC past and present in attendance, it promises to be a great night so don't miss out see your team manager for ticket details. We even provide transport from Brinsworth!

BWJFC Communication

We have updated our website and this is where you can find all the results for all our teams, these results are updated on a weekly basis, in addition to the results we are publishing the minutes of our meetings so everybody can understand and hopefully appreciate the time and effort that goes into running the club for the satisfaction of all our members. We have also gone "live" with our Twitter account where sensible comments can be posted. We are striving to keep up with modern technology whilst at the same time trying to make our members aware of what's going on within your club, if you have any ideas for improvement please let us know.

Parking Problems

We are experiencing some problems on Sunday mornings with Car Parking and would appreciate everyone's help and understanding in trying to alleviate this hopefully short term problem with the help of the Phoenix, some people are parking on the "Fearnleigh" estate and creating problems for the residents, they are blocking off driveways and creating accessibility issues, please remember that if you lived on the estate would you appreciate these types of problems, there is plenty of room just down Grange Lane and we would appreciate both home and away overspill parking to utilize this plentiful resource with immediate effect. There has been talk of involving the Police by the local residents, let's hope your actions do not necessitate this.

Annual Subscriptions

By now the first installment of the annual subscriptions will have been paid, this year there are three installments, £60 in September, £40 in November and £40 in February, it is vitally important to the wellbeing of the club that these payments are prompt, did you know that to run this very successful club we have to raise over £100000, therefore it is essential that not only do we pay our subs on time we must strive to secure sponsorship at every level throughout the club, we know that times are hard but if we all pull together we will succeed in providing sustainable football for the whole community for years to come.

Football Kit

The executive committee would like to remind everybody connected to the club that any and all kit that is worn by our members must have been sanctioned by the club, we cannot and will not allow people to imitate our kit, if this kit is substandard it will have a very negative effect on the clubs credibility throughout the football fraternity, all we ask is that if you want football kit you go through the correct channels, thereby ensuring that our good standards and continuity of quality are upheld.

Xmas Dinner

We know we are only just into October and already we are talking about Xmas, but again we have lined up a fantastic evening of entertainment at the Phoenix on Saturday December 3rd, we have the Stephanie King Stage show, a fantastic award winning group, a four course meal all for the great value of £30 per head. Tables will be in short supply so although it is a while away get your reservations in via your manager, have a night off and be entertained, go on get a ticket, enjoy yourself you know you deserve it??.
