## New Season

Welcome to the new football season, and a very warm welcome to all our new players, parents and guardians, we wish you well and hope that you all enjoy the season ahead. This season we will be running 23 teams from our new under sevens to over 35's and we welcome a new section, girls under 15's who join us from Wickersley. We have a general committee meeting every Sunday at the PSSC where we regularly have forty people in attendance representing every section, discussing and agreeing the way forward for the club, the meetings are open and any member of the club can attend if they so desire.

## Code of Conduct

The executive committee would like to thank all parents and players for signing and therefore agreeing to the clubs code of conduct. The code of conduct will apply to all players and guardians on club business and help to make BWJFC the most respected junior football club in the area, it is all too often that we hear of junior football clubs being brought into disrepute by a few irresponsible people who care for themselves rather than for the club as a whole, once again many thanks.

## Presentations

We have and are conducting various presentations to sections that hopefully will give a better understanding as to how the club is run, the first of these presentations was given to our new under sevens, it highlighted what the club is all about, how we started, what the club has achieved since we started thirty years ago and very importantly the financial side of the club regarding how much we need to maintain and run the club so we can deliver the fantastic standards that our members can enjoy. This is what makes BWJFC the outstanding junior football club we are.

## Girls Football

We have a thriving and growing girls section at BWJFC, this year we will have teams representing five age groups. The girls play on Saturday morning and this season will be joining us at the Phoenix. We are looking for more players so if you are interested and are not connected to any other club or indeed know anyone who would like a game please contact our club secretary.

## The Phoenix

The Phoenix sports and social club has many other activities that are available to our members, they have a thriving Golf section starting with a junior Golf Academy that has just gained the Golf Mark accreditation which makes it a great place to learn how to play like Rory McIlroy or Lee Westwood. They also have Squash, Bridge, Fishing, Cricket and Badminton sections where new members would be welcome. If you wish to book any of the various rooms that are available at the Phoenix we at BWJFC have a fantastic deal that allows our members a preferential rate please deal through [bookings@bwjfc.com](mailto:bookings@bwjfc.com) if you would like to enquire.

## Sporting Evening

Our annual sporting dinner at the Consort suite is on Friday November 4<sup>th</sup> and it is a cracker we have Paul Merson, Jimmy Carol and John Gwynne lined up to entertain us, we are having to limit spaces and we only have about sixty places left, so if you want to go get hold of your manager and reserve your place alternatively contact our [treasurer@bwjfc.com](mailto:treasurer@bwjfc.com) for your tickets.

## Academy

Our renowned junior football academy started at the Aurora on Friday Sept 9<sup>th</sup> and what a great start, 25 junior, under six year old Lionel Messi's turned up, why not come and join us 6pm till 7pm great coaching, really enjoyable, pass the word and come along, contact our club secretary or just turn up and ask for Justin Carpenter our first class coach.
